Remlinger Farms

Gary and Bonnie Remlinger, alongside Nathan Sherfey, are dedicated stewards of the Remlinger Farms legacy, a beloved family-owned farm in Carnation, Washington. Over the years, Gary and Bonnie have cultivated the farm into a cherished destination, blending agriculture with family-friendly attractions, seasonal festivals, and a commitment to sustainable practices. Their passion for community, family, and farming shines through in every aspect of the farm's operations, from the bountiful produce to the memorable experiences for visitors. Hello Carnation Chamber Members!

This Monday January 13th we had our monthly meeting at Carnation Cafe. It was a great start to 2025!

Tassin Joy joined us to chat about how to boost our energy and focus as we step into the new year. She shared some fantastic tips and strategic prompts to help us set our intentions for a successful year in business. It was such an inspiring session!

The Chamber is working hard on many events to help your businesses be seen! Thank you so much to those who have donated, sponsored, and volunteered! We appreciate you!

CHAMBER FUNDRAISING

The Chamber had an amazing turnout for Christmas in Carnation. Special thank you to Collienne Becker and her business Valley Girl Loot, for setting up and organizing the event. With the awesome turnout and wonderful donations, we broke even!

If we all pitch in to promote our events in Carnation, we can look forward to an even bigger turnout next time and hopefully more fun events in the future.

We also rely on membership dues as another key source of income for the Chamber, and we're truly thankful for each and every one of our members!

Take a moment to log in to your Chamber account and make sure all your information is up to date. And if it's time to renew your membership, we'd love to have you continue with us! Thank you for being a part of our community!
