TREEHOUSE POINT

Treehouse Point, located just outside Carnation, is a bed & breakfast and event space founded by Pete and Judy Nelson. What began as a passion project, uniting their love of entertaining, building treehouses, and sharing the magic of the forest with others has grown into a destination for overnight stays, weddings, elopements, and gatherings. The trees on the property directed each build, shaping how the treehouses would nestle into the canopy. The final build, the ADA-accessible treehouse Ananda, was completed in 2021. As parents, Pete and Judy are proud to work alongside their adult children, Emily, Henry, and Charlie, in their family business, Nelson Treehouse. Together, they design and build treehouses around the world and offer specialized hardware and plans for DIYers. Whether you're here to stay or celebrate, Treehouse Point invites you to experience the magic of being in a treehouse and reconnecting with nature.

Mortgage Minute with Misty Carpenter!

Mortgage rates have dipped slightly for three straight weeks, with 30-year fixed rates around 6.81%, offering a modest opportunity for prepared buyers. While still historically high, this softening trend may favor those ready to act soon. The key is being ready and preapproved for your loan. Working with a team of experienced lenders can give you peace of mind as you navigate the process and these ever-changing market conditions.

WELCOME BAGS

The Welcome Bag Committee Needs You!

We are looking for 6-8 volunteers to join the welcome bag committee. If you are interested in serving the business community and meeting new residents, this is a good way to get involved! We meet quarterly to stuff bags and deliver them. Many hands make for lighter work! We would love to have you join us!

We would like to have a committee meeting sometime in the next month to get to know our new team.

Reach out to Debbie Green if you are interested in having fun and serving on this committee! president@carnationchamber.com.

The bags are delivered to every new home owner in Carnation, Fall City, and Preston.
